

Recycling Policies

- **The City of Northport Public Works Department provides recycling service and recycling bins free of charge to residents within the city limits and who are paying garbage customers.**
- **Curbside recycling is collected on the same day as garbage and trash.**
- **Recycling bins must be placed at the curb by 6:00 a.m.**
- **Any recycling collections that were missed due to a city observed holiday will be collected on the Friday of that week. For the Thanksgiving holiday, Thursday's collection will be picked up on the Friday after Thanksgiving. For the Christmas and New Year's schedule, please see the city's website or the local newspaper.**
- **All recyclables must be placed in provided bins and the crews will separate for collection, with the exception of paper (must be bagged).**
- **For customers who are physically unable to carry the recycling bin to the curb, the city can provide back door service.**
